meditations on first philosophy - university of connecticut - rene descartes meditations on first philosophy who have it not are culpable in their ignorance. this indeed appears from the wisdom of solomon, chapter xiii., where it is said "how be it they are not to be excused; for if their understanding was so great that
maurice merleau-ponty: phenomenology of perception - why phenomenology has for so long remained at an initial stage, as a problem to be solved and a hope to be realized. it is a matter of describing, not of explaining or analysing.
